

# SWETHA S

## Front-end Developer

Aspiring front-end web developer with a strong foundation in HTML, CSS, JavaScript, React, and Bootstrap. Currently pursuing my MCA at BSA Crescent University, I'm passionate about creating responsive, user-friendly web applications. With experience in building dynamic front-end interfaces, I am eager to contribute to innovative projects and continuously grow my skills in the tech industry.

Sri Vishwa Vidyalaya Matriculation and Higher Secondary School

06/2019 - 05/2020

Chennai, India

### Secondary School - 10th

St. John's Matriculation and Higher Secondary School

06/2017 - 03/2018

Chennai, India

## PROJECTS

### YouTube Clone Project

Self-paced

Developed a functional YouTube clone to enhance skills in web development. The project included features such as responsive design, search functionality, and video playback.

- Technologies Used:

- HTML, CSS

### TourGuide Portal

B.S. Abdur Rahman Crescent Institute of Science and Technology

TourGuide Portal is an interactive platform designed to streamline travel planning. The portal provides destination insights, tailored recommendations based on user preferences, and efficient search functionalities. Using modern web technologies, it bridges the gap between travelers and their dream adventures.

- Technologies Used:

- HTML, CSS, JavaScript

## ACADEMIC ACHIEVEMENTS

Graduated with an outstanding overall CGPA of 9.27 first class with distinction, showcasing a strong commitment to academic excellence in the specialized field of Data Science during my undergraduate studies in BCA.

Demonstrated a strong commitment to academic excellence and mastery of key concepts in web development, programming, and related fields throughout the BCA program.

## TECH SKILLS

Languages:

- HTML
- CSS
- JavaScript

Microsoft Office Suite:

- Proficient in Microsoft Word for word processing
- Proficient in Excel for spreadsheets
- Proficient in PowerPoint for presentations.

Database Management:

- MySQL: Proficient in writing and executing queries
